ABOUT US

LAMPE Foundation, founded in 1993, is a community-based, volunteer-managed, not-for-profit organization. It is dedicated to supporting students who have demonstrated their ability to serve their communities as leaders and/or who are training to become bilingual health professionals and who choose to build careers and serve the communities of the Townships. The Foundation is governed by an independent board of directors.

OUR MISSION

We are dedicated to encouraging women and men from the Eastern Townships and across Canada to continue their education in order to improve their own lives and the wellbeing of the Townships community. We offer financial and mentoring support to students who have demonstrated their ability to become leaders in their community, and to those who are training to become health care professionals in the Townships.

Dear Stakeholders,

Since 2020, charities have seen a steady decline in giving. Fortunately, the Lampe Foundation donors have continued to contribute to maintain the sustainability of Lampe. Our students in the Eastern Townships and beyond send their heartfelt thanks. The good news for 2021 is that the steady investment income from endowed funds and donors' contributions enabled Lampe to give out all established awards at their pre-pandemic financial levels to students in high school, vocational training, CEGEP and university.

Over half of the awards go to students in healthcare. Future physicians, nurses, orderlies, social workers, physiotherapists, occupational therapists, and others in healthcare are being reinforced at a time when medical shortages continue to mount across the health spectrum.

For the first time since the start of the pandemic in 2020, Lampe is holding an in-person reception in May. As in the past two years, the winners will be featured in the Sherbrooke Record with a photo and brief description of their current studies. In many ways, the outreach of the public testimonial to these hard-working students exceeded the scope of the in-person events.

In addition to our faithful donors, Lampe continues to be most appreciative to our partners who help make possible a number of Lampe's scholarships. The Tillotson Coaticook Regional Fund, Richmond Regional, Phelps Help, North Hatley Village Improvement Society, Alexander Galt Regional, CFUW Sherbrooke & District and Université de Sherbrooke endure as important contributors to the success of Lampe. In addition, Lampe has been pleased to collaborate with families wishing to preserve the memory of a cherished member.

The list of CFUW visionary women, Eastern Townships families and organizations, who have made major contributions to the success of CFUW charitable foundation, is lengthy. The Lampe Foundation continues to feel a great sense of pride and derives immense satisfaction as it continues to recognize the noteworthy students of the Eastern Townships and beyond.

President

Making a Difference in Their Community

Natalie Demmon – 2017 Helen F.M. Armstrong Award Recipient

Each of the recipients of the Lampe Foundation Scholarship Program has a personal story to tell, a story that always includes courage, focus and the determination to succeed. Here is the personal story of Natalie Demmon.

I graduated from Bishop's University in June 2018 with a Double Honours in Music and Drama. After graduation, I moved to Montreal to pursue a career in the arts and right away had luck entering the English theatre scene of the city. I found work as a performer, designer and theatrical technician across the city and had some projects lined up when the shutdowns of March 2020 hit. I was very fortunate to have wrapped up a performance (McGill Savoy Society's *The Gondoliers*) in February, but I was also rehearsing two shows meant to open in April and June, sadly these along with many other projects were cancelled. The arts were heavily hit by the pandemic shutdowns, but I was able to retain some employment within theatre as a technician as theatres shifted to online content.

As a recent graduate when the pandemic first hit, I found I had lost a lot of momentum, the artistic goals I had set for myself were not achievable with theatres shut down. But the arts are resilient and as soon as theatre started to return, I was able to push myself into projects again. Since fall 2021, I have found myself in position of Head Tech for the Segal Centre for Performing Arts Studio venue, and just wrapped up a performance on-stage as Ruth in the McGill Savoy Society's March production of *The Pirates of Penzance*. I am designing with various schools in Montreal and am rehearsing with the Dora Wasserman Yiddish Theatre on their upcoming June/July presentation of *The Sages of Chelm* which will be performed in Yiddish!

Our Mentors

One of the ways the Lampe Foundation provides educational support for students and graduates is through its mentorship program. We offer award winners, present and past, the opportunity to be matched with a mentor, a person who can help them and guide them in the attainment of their career goals.

Members of the Mentoring Committee include Wendy Durrant (Chair), Esther Barnett (Secretary), Joanne Craig, Mary-Ellen Kirby and Randi Heatherington.

The benefits of having a mentor include:

- Networking contacts
- Tips on developing a professional image
- The opportunity to clarify career goals
- Knowledge concerning business ethics and etiquette
- Enhancement of employability
- Exposure to the workplace

The benefits of the relationship to the mentor include:

- A fulfilling way to help someone who is just starting out in their chosen profession.
- A way to give back as a bright new person embarks on the path the mentor might know something about.
- A meaningful opportunity to share their experience and knowledge gained over many years.

We have twenty-four mentors in various fields such as business, drama, education, health care, music and welding. In the past we have had eight matches and are projecting more when COVID is finished.

Krystyna Kouri is Director of Nursing at Champlain College, Lennoxville. She is a mentor for the Donna Draper Award recipients.

Allison Connelly is a mentor for Education. She received her degree from MacDonald College and has taught in elementary schools in Montreal, Rawdon, and Lennoxville. Allison is an active participant in community affairs.

Maryse Simard is a mentor for Music. She studied at Université St. Paul, Université d'Ottawa, École Vincent d'Indy and Bishop's University. Maryse is currently Organist and Choir Director at Bishop's College School as well as Music Director, Choir Director and Organist at Lennoxville United Church. In addition, she volunteers to play piano and organ for many organizations. Many young musicians have benefitted from her coaching and mentoring.

Gabrielle Newman is a mentor for Education. She obtained her M.Ed. from Bishop's University and various certificates from McGill University. She taught in North Hatley and Magog and retired in 2011.

Sandra Klinck (centre) is a mentor for Nursing. She is the Director of Care at Grace Village and teaches in the Nursing Program at Champlain College, Lennoxville.

New Member of the Mentoring Committee – Randi Heatherington

Randi was born and raised here in the Eastern Townships. A graduate of Bishop's University, she holds a Bachelor's degree in Fine Arts and Business Administration, with an Honors in Art History, as well as graduate degrees in both Education and Educational Administration. She taught for the Eastern Townships School Board for the first half of her career; she is currently a Professor of Special Care Counselling at Champlain College - Lennoxville and is a Contract Faculty member with the School of Education at Bishop's University. Randi volunteers on several Boards of Directors for local organizations including the Youth Employment Center (CJE) of the Haut St. Francois, St. Paul's Rest Home of Bury, and the Lampe Foundation. She is dedicated to advocating for the health and well-being of the youth and the elder population of our community. In her spare time, she travels to sometimes unusual areas of the world, enjoys gourmet cooking, and doing wildlife photography.

Champlain Nursing Awards

Since the inception of Champlain, Lennoxville Campus Nursing Programme in Fall 2010, Lampe Foundation has awarded 92 scholarships to Champlain Nursing Students. This year, we added five more award winners for a total of 97 scholarships.

Our Gratitude

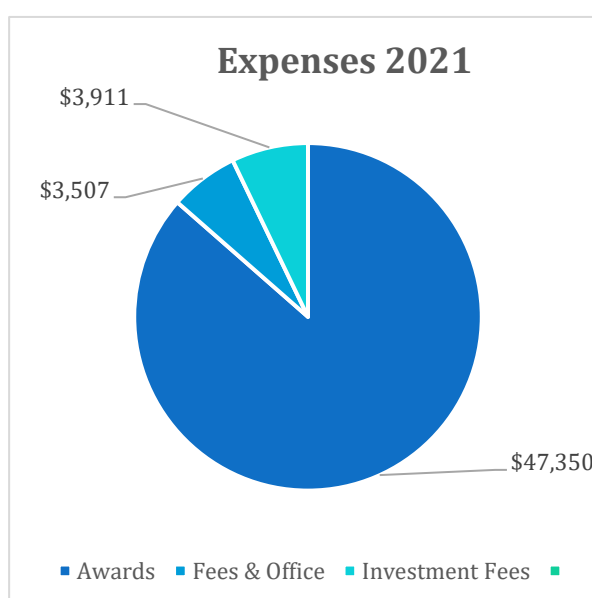

The members of the Mentoring Committee wish to express our gratitude to all health care professionals, health care workers, teachers, and school personnel for their tireless efforts during the pandemics. We are especially proud to support our award winners.

Our Financial Summary

Since its founding in 1993, the Lampe Foundation has increased its asset base from less than \$20,000 to \$824,649. The assets provide the Foundation with the necessary reserves to offer a minimum of 25 awards and enable Lampe to provide the ongoing funding to our scholars holding renewable scholarships and bursaries.

The following is a summary of our financial statements for the year ending December 31, 2021. Statements are available at www.lampefoundation.org.

Our Volunteers

Volunteers are the heart and soul of the Lampe Foundation. From its beginning, the Lampe Foundation has relied on a cadre of volunteers to provide direction, strategy, selection, mentoring, marketing and promotion as well as a variety of administrative duties. The ability of people to work willingly together for the betterment of their community is truly a priceless resource. Had our volunteers been paid according to their skills, their hours, if billed, would be in excess of \$75,000.
